

Effective January 1, 2024, we will be utilizing the services of **Island Coast Lawn & Landscaping**. This is the same company that does landscaping for Somerset.

They will be conducting monthly wet checks on our irrigation system and are available for any personal landscaping needs.

The office number for Island Coast is 239-694-2541.

Nick from Island Coast will be attending our February Board meeting to discuss their services.

If you feel you have an urgent landscaping issue, please reach out to Kathy Loula at Kathy.Loula31@gmail.com.
